## Diagnosis

### Weak Culture of Evaluation

- Limited use of evaluations
- Limited resources for evaluation
- Limited access to information
- Poor planning
- Inadequate information management

### Poor Evidence to Improve Public Policy

# Evolution of Evaluation in Ecuador

2014

- Creation of the National Monitoring and Evaluation Subsystem
- Creation of the Directorate of Public Policy Evaluation

2016

- Strengthening technical capacities with international cooperation.

2019

- Enhancing the national monitoring and evaluation subsystem
- Enhancing the role of Planifica Ecuador as the governing body in evaluation issues

## Consolidating Evaluation in Ecuador

### Why?

- Promote quality and opportunity in the results of government management.
- Generate quality and timely information for decision making.
- Promote accountability and transparency.
- Strengthen technical capacities in monitoring and evaluation in public sector institutions.

### How?

- Identification and formalization of parties and their roles.
- Creation of an articulation platform.
- Generation and issuance of regulations.
- Construction of the repository of evaluations.

# Consolidating Evaluation in Ecuador

## CHALLENGES

Use of the evaluation

Quality of the information

Integration monitoring with evaluation

Stakeholder engagement

## MECHANISMS

Evaluation Governance

Information Management

Strategic Alliances
