REPUBLIC OF THE PHILIPPINES
NATIONAL ECONOMIC AND
DEVELOPMENT AUTHORITY

BACKGROUND

The DSWD is mandated to provide **social protection** and promote the **rights and welfare** of poor, vulnerable and disadvantaged individuals, families and communities.

SUSTAINABLE DEVELOPMENT GOALS

The Philippines was an active participant to the series of activities leading to the adoption of the Sustainable Development Goals.

MEASURING SDGs

The PSA Board **enjoined all concerned government instrumentalities** to provide the necessary data support to monitor the country's performance vis-à-vis the SDGs based on the indicator framework that shall be determined by the NEDA, PSA and other government agencies.

– PSA Resolution No. 4 Series of 2016

CHALLENGES TO EVALUATION & SOCIAL PROTECTION IN THE SDG ERA

fragmented
national
development
planning

absence of a
coherent national
M&E framework

linking budgets to
results; social
protection as a
cross-cutting
concern

embedding
evaluation in social
protection
programs

low demand for
evaluations &
communicating
evaluation results

individual and
institutional
capacity for
evaluation

OPPORTUNITIES FOR EVALUATION

Upcoming review of the social protection operational framework and the development of a medium-term social protection plan

On-going support from development partners for monitoring and evaluation (UNICEF, 3iE, UNDP, DFAT, World Bank, ADB)

Increasing awareness on importance of evaluation in development among national government agencies and CSOs

SDGs as a strategy to make political leadership prioritize evaluations to measure results and show accountability

WAY FORWARD

systemic
reforms
towards
results-based
management

strengthening
multi-
stakeholder
partnerships

engaging
elected
officials and
the
international
community
